

# Iowa Deer

IOWA IS ARGUABLY THE BEST STATE IN NORTH AMERICA FOR HUNTING HUGE, MATURE WHITETAILS. DUE TO OVERALL LACK OF PRESSURE AND NO FIREARMS SEASON DURING THE RUT, IOWA PRODUCES MORE BOONE AND CROCKETT ANIMALS THAN ANY OTHER STATE. ALL OF THE RECORD BOOK BUCKS ARE PRODUCED WITH ONE OF THE LOWEST NUMBER OF HUNTERS BY STATE, MEANING YOUR CHANCES HERE ARE BETTER THAN ANYWHERE IN THE WORLD. IOWA ALSO LEADS THE WORLD IN AGRICULTURAL PRODUCTION, THEREFORE PROVIDING SOME OF THE BEST FOOD AND MINERALS AVAILABLE FOR THE DEER TO REACH THEIR FULL POTENTIAL.

## Iowa Archery

OUR IOWA ARCHERY HUNTS ARE 6 FULL DAYS OF HUNTING DURING THE PEAK OF THE RUT. WE ONLY RUN TWO WEEKS OF ARCHERY HUNTS, LEAVING OUR GROUND WITH NO PRESSURE PRIOR TO OUR HUNTERS ARRIVING. WE HAVE OVER 150 TREE STANDS SCATTERED ACROSS OUR PROPERTIES, BOTH LOCK-ONS AND LADDER STANDS. OUR STAND SITES INCLUDE PINCH POINTS, FUNNELS, AND THE EDGE OF GREEN PLOTS. THE AMOUNT OF UNPRESSURED, RUT CRAZED WHITETAILS ROAMING AROUND DURING THIS TIME IS TRULY AMAZING, AND SOMETHING EVERY ARCHERY HUNTER SHOULD EXPERIENCE. THE SAYING "ALL GOOD THINGS ARE WORTH THE WAIT" HOLDS TRUE ON THE IOWA ARCHERY HUNT. THERE IS A LOTTERY FOR THE AVAILABLE TAGS, AND THE ARCHERY TAGS ARE THE TOUGHEST TO GET. IT TAKES - ON AVERAGE - 3 YEARS TO OBTAIN THE LICENSE, BUT ONCE YOU EXPERIENCE IT YOU WILL UNDERSTAND WHY.

"I have tried other outfitters but none compare to WRO's gold standard service and attention to details. Truly a bow hunt of a lifetime!"

"First impressions are everything. Nick and his family made us feel right at home the moment we walked into the lodge. Don't want to wish time away, but cannot wait till 2016. Yes, we rebooked the 3rd day of our hunt."

# Iowa Shotgun

OUR SHOTGUN HUNTS TAKE PLACE IN DECEMBER, HUNTING PRIMARILY OVER GRAIN AND GREEN FOOD PLOTS. WE OFFER 2 SEPARATE HUNTS, THE FIRST BEING THE 1ST SATURDAY IN DECEMBER AND THE 2ND STARTING THE 2ND WEEK OF DECEMBER. BOTH HUNTS INCLUDE 5 DAYS OF HUNTING. WE HUNT OUT OF ENCLOSED SHOOTING HOUSES WITH HEAT, SO THE COLD TEMPS ARE EASY TO DEAL WITH. ALTHOUGH WE DO FREQUENTLY SEE SOME "SECOND RUT" ACTIVITY, WE ARE PRIMARILY PATTERNING THE BUCKS ON FOOD PLOTS, AND THEIR TRAVELS BETWEEN BEDDING AREAS. THE CHANCE OF DRAWING AN IOWA FIREARMS TAG IS MUCH BETTER THAN AN ARCHERY TAG, WITH AROUND A 70% CHANCE OF DRAWING EITHER TAG THE 1ST YEAR.

"I spent a few years searching for a whitetail outfitter to hunt with every year, and now I have found that with Nick Boley and Windy Ridge Outfitting. The quality and amount of deer, the effort put forth by the W.R.O. staff, and the overall experience is something very hard to find with an outfitter. As a bonus, I have shot my 2 biggest deer with Nick in Iowa."

OUR LATE SEASON MUZZLELOADER HUNT IS A FAVORITE FOR MANY. THIS IS A 6 DAY HUNT, HUNTING EVENINGS ONLY. AS THE TEMPERATURES DROP, THE LATE SEASON HUNTING HEATS UP. CORN, BEANS, BRASSICAS, AND OTHERS ARE SOME OF THE DEER HERD'S FAVORITE FOOD, AND OUR HUNTERS AVERAGE SEEING OVER 30 DEER PER NIGHT. OUR ENCLOSED BLINDS WITH HEAT ARE VERY COMFORTABLE THIS TIME OF YEAR, MAKING THIS A FANTASTIC CHANCE AT HARVESTING A HUGE IOWA WHITETAIL WHILE MANY OTHER STATES' SEASONS ARE OVER. AGAIN, THE FIREARMS TAGS ARE MUCH EASIER TO DRAW THAN THE ARCHERY TAGS, WITH AROUND A 70% CHANCE TO DRAW EACH YEAR.

"I have tried hunting Iowa's late season a few times with limited success before I found Windy Ridge Outfitting. The amount of deer and food plot options were truly amazing. I have been back twice now, and look forward to the next time I make the trip to see the guys at W.R.O."
